# Access MyLab or Mastering in Canvas through Digital Materials

Launch Pearson content

1. Enter your Canvas course and locate the **Digital Materials** app.

2. Under My Courses, your Pearson materials tied to this course will appear along with other information about opting.

o   Select **Launch Courseware**.

Access your Pearson course materials

Pearson course materials can be accessed via the DigitalMaterials app.

3. Select **Open MyLab & Mastering** to launch your Pearson course.

Important Use Help & Support to find downloadable diagnostics about your course. If you contact Pearson Support, you will be asked for this diagnostics file.

Link User Accounts, if needed

4. Link your Canvas user account to either an existing Pearson account by entering your Pearson Username and Password or to a new user Pearson account by selecting **Create an account**.

5. After linking your accounts, select **Continue**.

Accounts linked

You can access your Pearson product from Blackboard without linking accounts again.

Continue

6. If prompted, read and accept the Terms of Use and Privacy Policy and select **Continue** to agree to Pearson's End User License Agreement.
